

## Compressed Natural Gas (CNG)

### *Covina CNG Station*

Compressed Natural Gas (CNG) is a clean-burning fuel, minimizing air pollution, and is less expensive than gasoline. Covina is proud to be part of the CNG fueling infrastructure in Southern California, with a station at the Public Works City Yard, 534 N. Barranca Avenue. The fueling station is available to all users from 6:00 a.m. to 4:00 p.m. Monday through Thursday.

- The CNG fueling station accepts Visa, MasterCard, Discover, American Express, Voyager, and Wright Express credit cards.
- Customers interested in using the station should see the receptionist at the City Yard who will explain operating procedures.

For more information, please call the City of Covina Public Works Department, Environmental Services at (626) 384-5480.
